## Dutch Oven Cookers

### January 2019 News

---

#### **Who We Are**

We enjoy cooking with cast iron. Our goal is to get together monthly to have fun, cook, and share our creations.

We look for locations where we can cook without the necessity of making reservations.

We have no officers or dues.

Anyone is welcome to suggest a site and invite others to join them there. We need locations for April, May, July, August, September, and October.

#### **Effective Communication**

When sending a message, please identify who it is for. (i.e. To All or to a specific person)

Identify yourself. A message ending with "Sent from my i-Pad" doesn't tell who sent it.

Attachments should be in a widely readable format such as RTF, DOC, or PDF. DOCX is not readable by all.

#### **Calendar**

**January 18-20, 2019**

**Annual Beach DOG**

**Doheny State Beach, Dana Point**

The Beach DOG will held on Martin Luther King weekend in Doheny State Beach Picnic Area 8. Most tables there are not reserved so we need some people to arrive early and anchor some for us.

While Dutch oven cookers in other parts of the USA are cooking under shelter and eating indoors, we're enjoying our California sunshine.

Besides cooking and eating, a Youth Dessert Cooking Competition may be held if there is a sufficient number of potential participants.

**February 2, 2019**
